

Name: _____

Miss Oliver's year two class is in charge of decorating the entire school including the corridors, classrooms and the hall.

The students hung 32 green ornaments and 45 red ornaments and one Christmas angel on the tree in the school. They put up 16 strips of bunting.

[TIP: If it helps, draw the ornaments in the space below.]

Write the calculation for how many ornaments on the tree:

_____ =

How many decorations did they use in total: _____
